

Filigrees

A soft glow of light illuminates the intricate details in each of our filigree designs to add a touch of artistry and drama to your Old California lantern.

Each copyright design replicates a classic "Arts and Crafts" design element or a California natural treasure.

Torrey Pine, California Poppy and Wisteria were designed exclusively for the 110 & 120 Westmoreland Place lanterns.

Ginkgo, Oak & Acorn and Spruce were designed exclusively for the 500 Green Street lanterns.
